# SUPPLEMENT TO PART II

OF

# THE FORT ST. GEORGE GAZETTE.

No. 46.) • MADRAS, TUESDAY EVENING, DECEMBER 4, 1917. (Part I. cont.)

## AUDIT ORDER OF THE MADRAS CENTRAL URBAN BANK, LIMITED. 30th June 1918.

The accounts of the Madras Central Urban Bank, Limited, for the co-operative year ending 30th June 1917, as audited by M. S. R. S. G. Narayanaswami, C.A., Public Accountant and Auditor, Madras, are passed. Statements showing: (1) receipts and disbursements, (2) profit and loss and (3) assets and liabilities as approved by the Registrar are appended to this order.

1. The bank was converted into an open bank during the year having agreed to close upon the shares to continue. Over thousand ordinary shares of Rs. 100 each were floated during the year for the benefit of societies, the old shares of Rs. 5 lakhs of 100 lakhs being treated as preference shares. It is hoped that societies will come in freely and take shares in the bank.

2. The investments of the bank during the year shows considerable increase all round. The deposits held by the bank including the overdraft from the Madras Bank rose from Rs. 5000 lakhs at the beginning of the year to Rs. 3000 at the end. The interest on these deposits was Rs. 400 lakhs against Rs. 100 lakhs in the previous year. Loans advanced to societies during the year amounted to Rs. 1100 lakhs against Rs. 500 lakhs in the previous year. Of this amount Rs. 500 represented loans given to central societies against Rs. 100 lakhs in the previous year. Interest actually received from members and societies amounted to Rs. 500 lakhs against Rs. 200 lakhs of the previous year.

3. The bank holds Rs. 2,45,000 (less value in 14 per cent. Government promissory notes, the depreciation in which at the selling price on 30th June 1917 would amount to Rs. 40,000). The bank has decided to spread the depreciation over two or more years and has proposed to write off the 32,000 in the year ending 1918. This is approved.

4. The bank earned during the year a net profit of Rs. 40,000-0-00. It should, under by-law 26, be dealt with as follows:-

	Rs.	A.	P.
(1) To reserve fund (25 per cent) .. .. .	31,000	14	0
(2) To dividend to shareholders at 5 per cent on paid-up share capital .. .. .	20,000	0	0
(3) To the building fund (10 per cent) .. .. .	4,000	10	10
(4) To be carried forward to next year—three months' average expenses .. .. .	4,500	0	0
(5) Balance to employees, if the general body members so decide, otherwise to be carried to reserve—two months' pay .. .. .	1,000	0	0
(6) To be set apart for the buying up of individual shares .. .. .	4,000	0	0
(7) Balance to be added to reserve .. .. .	20	0	0
Total .. .. .	40,000	24	10

The total amount that should be carried to reserve now will be Rs. 40,000-24-10.

(1) and (2) above .. .. .	12,000	0	0
Unallocated balance of the previous year .. .. .	4,500	0	0
Total .. .. .	16,500	0	0

The bank is requested to carry this amount in the Madras Bank.

5. As only 25 shares have been the close of the year, have taken by societies, the Registrar thinks that the sum of Rs. 4,000 set apart for the buying up of individual shares need not be utilized for the present.

11-11-18

7. The Bank continues to maintain its high level of efficiency in the management of its business, and the Directors are to be congratulated on the results achieved.

## AUDIT ORDER OF THE MADRAS CITY CO-OPERATIVE BANK FOR 1916-17.

The accounts of the Madras City Co-operative Bank, No. 5087 for the co-operative year 1916-17, as audited by H.B.R. G. N. S. Prabhakar Aiyangar, certified Accountant and Auditor, are passed, and recommended (1) acceptance and disbursements, (2) profit and loss and (3) reserve and dividend, as furnished by him, are appended to this order.

5. The number of members fell from 512 at the beginning of the year to 525 at its end and also the share capital from Rs. 41,725 to Rs. 44,725. There was a tendency on the part of members to withdraw in large numbers and the Bank has therefore assumed a by-law permitting withdrawal of share-capital in any one year to 10 per cent of the total paid-up amount of that year. There was a small increase in the transaction under deposits obtained by the Bank. The deposits of members rose from Rs. 41,165-5-4 to Rs. 71,681-10-0 and the total deposits from Rs. 5,05,516 to Rs. 1,76,190. The loan portfolio against advances on 30th June 1917 amounted to Rs. 1,26,545 against Rs. 1,35,441 at the end of the previous year. According to the members on 30th June 1917, as against 10 loans were 16 loans amounting to Rs. 7,550 coming from members on 30th June 1917, as against 10 loans aggregating to Rs. 420 at the end of the previous year. The amount of arrears interest pending collection was Rs. 1,075-10-0 in 516 loans. The Bank should have given more attention to the collection of arrears from members. The Registrar knows that the arrears list will be reduced very soon.

6. The Bank earned during the year a net profit of Rs. 2,325-5-8 which should order by law as to be dealt with as follows:—

	Rs. A. P.
(1) To the reserve fund—per fourth of .. .. .	5,140 5 8
(2) To Reserve to the Directors—per eighth of .. .. .	1,311 14 4
(3) To dividend to share-holders not exceeding 5 per cent on the paid up value of each share .. .. .	1,454 5 0

If after payment of dividend there being any balance left, it should, under sanction by law 85, be set apart to dividend equal to the fund or reserve fund. But under the rules framed by Government there is no provision for dividend equal to the fund and the difference between the actual rule and the rule set by law 85 can only be carried to that fund. If the Bank prefers to do this the Registrar has no objection. Also the Government Order by implication prohibits an allotment for dividend fund from profits. The fund should be allowed to accumulate till by law 85 of the Bank or the Government Order is altered.

6. As regards account keeping by the Bank it has to be stated that there was no internal check over accounts and the Auditor has to do a long list of available entries. A copy of the report of the Auditor is furnished to the Bank and it is requested to offer its remarks on the same.
